

SANDRINE DE LAAGE

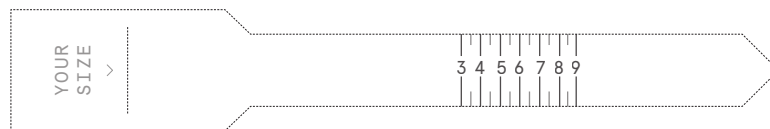

NEW YORK

RING SIZER

Print this page on 8.5x11in paper at 100% scale.
(you can verify that it is correctly printed by measuring that the scale below is 4in long)

METHOD 1

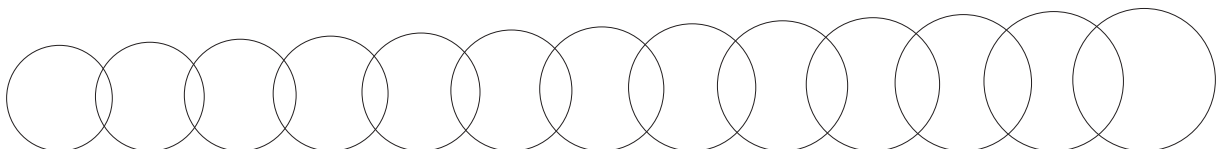

SCALE: 4IN LONG

1. Cut out the sizer-strip and its slot by cutting along the dotted lines
2. Slide the tip of the strip through the slot and tighten the sizer around your finger
3. Once adjusted around your finger, read your ring size at the slot, where indicated

METHOD 2

To read your size: use an existing ring that fits you and slide it along the size-line below until the interior of the ring matches one of the circles.
